Whole School Road Safety Project (Thursday 14th March)

Mr Redfern is meeting with our PCSO (Tracy) on Wednesday to discuss the agenda for our whole school Road Safety Project to be delivered on **Thursday 14th March**. Workshops, competitions and practical activities will help promote an increased

understanding and awareness of road safety. We are grateful for Tracy's continued support and ask that all concerned remain vigilant during peak times.

Best Work Badges

Following our recent Parent forum, the idea of a 'Best Work Badge' was put forward and received with enthusiasm. The initiative aims to celebrate achievements regarding neatness and presentation. Two children from each class will be selected and receive their badge every half term. The decision will be made by the teaching staff in your child's class and be based on both endeavour and achievement. Mr Redfern is currently researching and designing the badges before they go to print and will arrive in school at some point in the near future.

Health and Safety Reminders...

- Please do not send children into school with wipes. Earlier this week we had blocked drains because a child/children had flushed wipes down the toilets.
- Remember children must NOT wear ear rings in PE lessons. They must be removed, not covered over with tape of any kind.
- Please ensure your child has full/correct kit for both indoor and outdoor PE, hair is tied up and watches removed.
- No nail varnish or make-up to be worn in school.

New Dates

Easter Services: 9th April

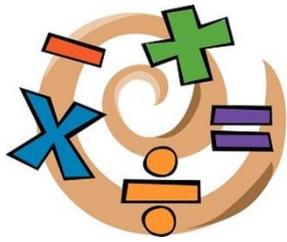

Early Years - 9.30am in school hall

Snow Leopards (both classes) - 10am in school hall

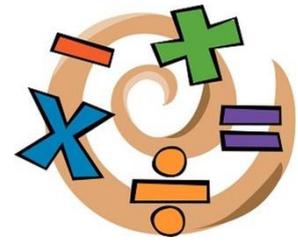

KS2 - 2pm at church

Open Morning - *Rescheduled from last week* - Thursday 7th February from 9.15am

Phonics Workshop - Wednesday 6th February - 2pm in school.

Maths Open Morning

Many thanks to all the parents that visited and supported our maths open morning on **Tuesday 22nd January**. It was a treat for the children to see familiar faces and show case their work. Thank you also for the feedback that we received. See below for a few of the comments made.

Mr Redfern

"It was satisfying to get an overall picture of the way the children were taught, with methods completely different to my own experience."

"It was good to see how children were working, and how engaged they were."

"It was pleasing to see how the children worked together in groups, and in some cases the more able encouraging the less able."

"Now I have seen my child at work I feel better prepared to help them with homework."

"It has been a brilliant morning."

Bobtails	Number rhymes with parachute. Practical number and shape activities.
Snow Leopards K & R	Three trick card challenge.
Snow Leopards A H	Activities involving tens frames. Part, part, wholes models and money problems.
Panthers R & T	Making Money totals, predicting and working systematically.
Panthers A	Rising Stars challenge cards.
Jaguars	Number stories: factors, multiples, calculations, composite and prime numbers.
Lions M & G	Fractions, decimals and percentages (activity rotation).

Fit in 15 through Feb

As some of you may have already seen in our newsletter, Mr Tyson is about to start an initiative to get everyone in school a little fitter through February. We are going to set aside 15 minutes each day (Year 1-6 9:00-9:15, EYFS 11:00-11:15) to run up to a mile.

We are not expecting everyone to run a mile straight away, but we're hoping that if we do it everyday, we can get there by the end of the month. For those that can run a mile within the 15 minutes, we will try and improve our time each day.

We will be running in (almost) every type of weather, so make sure your children bring outdoor running shoes (not pumps), joggers and a plastic bag to store them in, so that we

can run without getting ourselves too muddy. Children may also choose to wear hats and gloves.

As it is half term in the middle of February, we will encourage the children to carry it on each day - staff will be told the same thing!

As this is part of Mr Tyson's charity challenge, any donations would be greatly appreciated. For more information on his challenge, please

visit <http://www.sponsorme.co.uk/danieltyson/12-month-sporting-challenge.aspx>.

Thanks for your support.

New from Panthers R

Panthers R have been baking traditional Indian biscuits this week with Mrs Tiso and Mrs Felton. Hopefully you had a chance to taste them before we ate them all!
