

## Parent Forum

### Summary of Meeting 18<sup>th</sup> September 2018

- New members welcomed
- Discussion of grants/successful bids for funding for road safety
- Discussion about our Discovery Curriculum and ways in which we can work with parents to harness their considerable skills. We have a Science Enrichment afternoon planned for November 2018
- Homework Club - this is running well and we are set to add another day to the provision. HW Club will now be offered on Wednesdays, Thursdays and Fridays. Children will be given support with reading, maths and times tables.
- Fun Run - this is planned for 30<sup>th</sup> September in school and around the village. All parents, friends, staff and children welcome.

Next Meeting - 17<sup>th</sup> October 2018
