

Parent Forum Summary

May 2018

Topics covered:

- First Aid training has been delivered to all children and was a great success. We plan to deliver this annually.
- School dinners have really improved thanks to the new caterers. An open invitation was issued to parents of this group to come and have a school dinner.
- A reminder to go out in the next newsletter to ensure that parents provide the office with up to date emergency contacts - as many as possible.
- A suggestion was made to ensure that the office is manned each day until 4.30pm. There are already plans in place for this.
